

TEAMBUILDOR

**Records broken for participation, performance, and service.**

The 2024 season for the Illinois High School Powerlifting Association has been a great one. You all broke records for participation: 300+ athletes, 30+ schools, 6 Regionals, and the first ever 1A/2A State Meet.

You broke records on the platform: 15+ State Records fell across 8 different divisions. And more will be attempted today!

You also broke records for community service! 2,500

diapers have been raised so far, with thousands more coming in today.

We have also seen teams do clothing drives for Cradles to Crayons, shoe drives for Got Sneakers, pack meals for Feed My Starving Children, and give back to their communities in a number of ways.

In short, you all have brought the values of the organization to life. High level Character, a Culture of support, Equity and inclusion, and Service in the community.

Together, you went #BeyondStrength to learn lessons for a lifetime!
